*The annual free bike repair workshop returns with a focus on brake and tire maintenance.*

**Smalltown USA** – Psycle Pros is again welcoming the community to the 15th annual bike repair workshop. We will be demonstrating how to properly maintain your tires and brakes, including replacement. The workshop will take place from 10A-2P on December 10 at our shop on Main St. Snacks and drinks will be provided.

We enjoy bringing the community together and teaching them this valuable skill. Here are some comments from our previous attendees:

"I didn't know it was possible for me to repair my own bike until I attended the workshop last year. Thank you Psycle Pros!!" - Gina Johnson

"I have attended these events for many years. The guys at Psycle Pros have taught me everything I need to know to maintain my bike!!" - Fred Mayer

Be sure to register soon, as space is limited and we want you to join us!!
